ence. The mention of cash is sometimes indicated, as in the first paragraph of the text, to indicate that some of the information provided is based on personal experience or observations.

In addition, the text includes a discussion of the role of government in the context of the Polish Constitution, particularly in relation to the principle of equal rights and opportunities. The text also touches on the role of the judiciary in interpreting and enforcing these rights.

The text is written in a formal tone, with a focus on legal and constitutional matters. The author appears to be well-versed in the subject matter, as evidenced by the detailed and nuanced discussion of the various aspects of the Polish Constitution. The text is likely intended for an audience with a background in law or government, or those interested in the political and legal systems of Poland.
